Glenbriar enters strategic alliance with
Open Business Process Inc.

CALGARY, AB - April 5, 2007 — **Glenbriar Technologies Inc.** (CNQ: GBRT) is pleased to announce a strategic alliance with Calgary based Open Business Process Inc. (OBP). OBP is a Western Canadian leader in SAP® ERP Reselling, Designing and Implementation. The strategic alliance will allow both companies to leverage each others' core competencies.

"We are pleased to add Glenbriar Technologies to our portfolio of partners and we believe this complementary partnership will add tremendous value to our customers," said Roy Malinao, VP, Enterprise Development for OBP.

Under the terms of this agreement, both companies will jointly develop business opportunities by leveraging OBP capabilities in SAP® solutions including NetWeaver with Glenbriar's skills in infrastructure design, deployment and management.

"We couldn't have found a better match to complement and leverage our capabilities than with a top SAP partner in Western Canada," said Rodney Taylor, Director, Corporate Development for Glenbriar. "This partnership will produce numerous opportunities for both companies and enhance Glenbriar's client base going forward."

About Open Business Process Inc.

Open Business Process Inc. is a premier Western Canadian SAP® ERP authorized channel partner providing seamless integrated business processes through the SAP® NetWeaver enterprise services platform. OBP's *People Productivity-Centric Architecture (PPCA)*® framework and methodology is a highly successful and innovative implementation solution for SAP® ERP for medium to enterprise class clients. Operating in Calgary, Vancouver and New Delhi, with future growth planned in Ontario and Eurasian markets, OBP provides customers with a competitive, flexible approach to organizational and business process improvement.
